### A la Carte

# of Bulbs	Item	Bloom Time	Height	Comments	Price
8	Narcissus--Replete	Mid	18"	Double Narcissus have one or more flowers per stem with doubling of the cup, the outer petals, or sometimes both! Crisp and clean colors brighten the garden, and some varieties are fragrant.	\$8
10	Daffodil--Tete Boucle	Early	6-8"	Common Name: Daffodil-Rockgarden Narcissus. Cyclamineus Narcissi have one or two flowers per stem with the outer petals exhibiting a pronounced reflexive position to the cup. Great for borders or containers.	\$10
6	Narcissus--Peach Cobbler	Mid	14-16"	Treat yourself to this stunning daffodil, Peach Cobbler. This double variety with layered petals and trumpet will satisfy your daffodil cravings.	\$8
14	Tulip--El Diablo Roja	Mid/Late	18-20"	This classic blend offers beautiful bi-color flowers - red flames on white Triumph Tulips perfectly complement the rich solid red fringed tulips in this popular collection.	\$12
10	Tulip--Kingsblood	Late	24"	These late spring varieties finish off the season with a flourish. Kingsblood has a beautiful, vibrant color that will look good in any garden or container.	\$8
10	Tulip--Cilesta	Early	12"	Cilesta is a short double tulip that will be one of the first bloomers in your garden. Red with yellow edges.	\$8
8	Tulip--Suncatcher	Early/Mid	18"	A bed of Suncatcher tulips will fill your garden or front yard with weeks of high energy spring color. Bright yellow buds give way to big, chrome yellow flowers with tomato red tips. Suncatcher is spectacular planted in small or large groups of 50 or more bulbs, and will make your yard the talk of the neighborhood.	\$8
12	Tulip--Razzle Dazzle	Mid	14-16"	These tulips have so many petals they resemble peonies. The variety of red shades go well together in a group.	\$11
10	Tulip--Aveyron	Late	12-14"	This fluffy, flouncy beauty is deep rose with paler rose petal edges and prominent green feathering on strong stems. Tulip Class: Peony Flowering (Double Late).	\$8
12	Tulip--Summer Breeze	Mid	14-16"	These light colored tulips will brighten up your garden with splashes of color on a mostly white base.	\$11
12	Tulip--After Midnight	Mid/Late	14"	Sensational spring blends, flower bulbs that are complementary in height, and bloom at the same time.	\$11
6	Lily--Mapira	Mid Summer	36-48"	Sensational new Asiatic lily which produces deep maroon, almost black flowers which blend into maroon red at the edges. Lily's are an ideal choice for pots as they bear small but very sturdy flowers, but can also be planted as part of a successful summer border display. Combining with Patricia's Pride would be stunning.	\$11
4	Lily--Patricia's Pride	Mid Summer	36-48"	Patricia's Pride has a neatly placed six-sided star of maroon color in each flower. What makes this lily's coloring particularly unique is the very center is cream/white again coloring particularly unique is that the very center is again white with dark red speckles--three layers of gorgeous! , What makes this	\$10
10	Crocus--Orange Monarch	Very Early	4-6"	Orange Monarch Crocus open to reveal deep orange petals in creamy butterscotch tones. A refreshingly different color of crocus.	\$7
15	Muscari--Grape Hyacinth (Azureum)	Mid	5"	This mix is hearty, some are aromatic, and some may naturalize. A burst of beautiful yellows to cheer our rainy days.Two-toned blue tubular flowers grow on large, dense spikes bloom very early and are excellent flowers for perennializing.	\$8
12	Hyacinth--Soul Sisters	Mid	8-12"	Soul Sisters blends three different hyacinths with complementary colors of purple, pink, and yellow. This is a sure way to create visual excitement in any garden. When planted together, these hyacinths will energize your spring garden and fill it with a delightful fragrance. Plant in your garden or in containers.	\$11
1	Peony--Sarah Bernhardt	Late	24-36"	Sarah Bernhardt is one of the world's most beloved peonies. The plush, pale pink flowers have silvery tips and are sometimes flecked with red. Wonderfully fragrant.	\$10
1	Peony--Festiva Maxima	Late	36"	An heirloom peony with generations of admirers. Festiva Maxima's plush, creamy white flowers have loads of petals and are flecked with just a touch of	\$10
1	Peony--Karl Rosefield	Late	39-40"	The classic double magenta Peony, this early-season bloomer produces huge, deep red blooms that are showstoppers in the garden and in bouquets.	\$10
1	Peony--Bowl of Beauty	Late	24-36"	This Peony is famous for its huge, hot-pink outer petals and contrasting frilly-yellow centers. One of the most strikingly beautiful peonies.	\$10
15	Allium-Azureum	Late	20"	Blossom is 1-1 1/2" Globes of star-shaped sky blue flowers atop straight leafless stems. Cut flowers are long lasting and lightly fragrant.	\$8
