## President's Message

Rotary does great things in the world. It is successful because it, as a whole, is the sum of thousands of hard-working parts. Our club is certainly one of these vital parts. When I look at the list of activities we as a club participate in, it's truly impressive. We do great things. We all know that there is an important financial aspect to maintaining our level of involvement in both our community and internationally. Dues and other activities fund a part of this, but the primary source of our income comes from bulb sales. I cannot stress enough the importance everyone participating in this effort. Your specific efforts are critical to the success of our club and our ability to share the message of Rotary.

Carl has set up several sales tools for each of you, including our own web site that will display pictures of the beautiful bulb varieties chosen to sell this year along with other useful information. His program today will provide you with more information regarding this year's sales effort. As you go out and talk to people, you will be surprised how receptive they will be to supporting you and Rotary. We are selling top quality bulbs at a good price, so feel confident in our product. With everyone's help, and "Two Lips" Ferlauto's assistance, I'm confident we will have another successful year.

**Today's Program:**  
**Bulb Kick-off**  
**Carl Ferlauto**

**Today's Greeter:**

**Morning Moment:**  
**Carl Ferlauto**

**July is Literacy Month**

## A Look Back

In nearly 100 years, Rotary grew from a group of four Chicago professionals into a burgeoning worldwide service organization of more than one million members. Explore and learn just how much Rotary has accomplished during its first century.

## Newsroom

The Rotary Centennial is an ideal opportunity to share Rotary's century of service with local news media. Share your club's accomplishments and help create a positive image of Rotary in your community.

## Resources

Make Rotary history a part of your permanent collection. Order history items featuring Rotary founder Paul P. Harris or create your own custom centennial merchandise.
